#### The Organization

The Los Angeles Children's Chorus (LACC), now in its 31st season, is one of the world's leading choral organizations serving children and youth through performances and music education. A key component of its mission is to ignite a love of singing and nurture the full expression of each individual's potential for artistic and personal excellence through the collaborative experience of performance.

LACC is comprised of six audition choirs - Preparatory, Apprentice, Intermediate, Concert, Chamber Singers, and Young Men's Ensemble. It also offers a "First Experiences in Singing" program for children aged 6-8 years, and a "First Experiences in Choral Singing Ensemble" as a bridge for these young children to other LACC ensembles.

At the heart of LACC is a comprehensive music education program, crafted to encourage a lifelong love of music. While young people come to LACC with varying learning styles and different levels of experience, they all enjoy opportunities for musicianship and music theory training through a sequential rehearsal schedule and music literacy program. We seek an artistic leader who is committed to providing a rigorous, foundational music education experience for our singers.

LACC ensembles tour regularly, offering choristers a chance to share their artistry on a national and international level. In addition to domestic tours, destinations in recent years have included South Africa, Scandinavia, and Japan, with landmark performances at London's St. Martin-in-the-Fields, the Edinburgh Fringe Festival, and the United Nations in New York. LACC also is featured on several recordings and has earned national accolades through appearances on television and radio. It is committed to expanding the repertoire for children's choirs through commissioning new works.

A highly valued aspect of LACC's artistic landscape is its collaboration with key artistic partners around Southern California. Enriching artistic programming for a broad audience, LACC appears with distinguished organizations such as the LA Opera, LA Philharmonic, LA Master Chorale, Hollywood Bowl Orchestra, Jacaranda Music, MUSE/IQUE, and the Los Angeles Chamber Orchestra.

LACC's 2016|17 concert season features its own signature Winter and Spring performances. In addition, LACC will appear with the LA Philharmonic in performances of John Adams' *El Niño* conducted by Grant Gershon; with the Pasadena Symphony and POPS in holiday concerts and Beethoven's Symphony No. 9; and with the LA Opera for six performances of *Tosca* conducted by James Conlon. LACC will host the Los Angeles debut of Berlin's esteemed Children's Choir of the Staatsoper Unter den Linden, and will be a featured ensemble at the Chorus America annual conference in Los Angeles in June 2017.
